

Street	Litter Control – 25	Tidiness – 25	General Appearance – 25	Flower/Plants Presentation – 25	General Comments
Station Rd	18	18	16	12	Total:64 marks Litter was evident outside school walls but the two school grounds look well. The derelict town hall is an eye sore also the derelict building near Coach House.Some buildings in need of paintwork.More flowers would be a nice addition overall.
Circular Rd	20	18	16	15	Total:69 marks Footpaths in need of repair.Some grass and weeds evident along footpaths.Some nice front gardens.Painting on gable of butcher shop needed.Also some front walls need some paintwork.
Ballina Rd	20	17	16	16	Total:69 marks Railway bridge looks impressive.Grass and weeds evident along footpaths.Newly painted houses at Railway Terrace look well but the remainder require a face lift in general The area on the Foxford side of Railway Terrace needs enhancement.The entrance to Bollingbrook Drive looks well also the grounds of Baxter.Some nice gardens in the residential area.Grass verges as you exit are overgrown.Some front walls need painting.

Main Street	20	20	18	18	Total 76 marks. Flower displays and hanging baskets look very well at the top of the street - the lower part of the street would benefit greatly from more window box displays which have fizzled out from Spain's down. The planted beds at Lower Main Street look very well. The two derelict/disused premises (one beside Dental Surgery and the other next to Presents) detract greatly from the overall appearance of the street. The freshly painted buildings look well but more paint work is needed particularly on Lower Main St. Sheepwalk Bar which is a focal point could do with a face lift.
Market St	18	18	15	10	Total 61 marks. Flower displays lacking - only Melletts., Flower shop and premises above Eurospar with displays. 2 derelict buildings (D. Philbin next to Eurospar and O'Hara's next to Carmels Cafe detracting from the overall appearance of the street. A few buildings would benefit greatly from painting - Moores Pub which is a focal point on the corner with Main Street - also the derelict building beside JP bookmakers in the Square could be enhanced.
Bridge St	20	18	15	8	Total 61 marks. Only one premises with flower display. Derelict building beside the beauty salon is an eyesore. Also the disused/vacant premises (one beside Heeran TV and the other opposite Caseys - both detract from the overall appearance of the street. The freshly painted building housing the Library looks very well. Some painting would brighten up some of the other premises.

Dublin Rd	18	20	15	15	Total: 68 marks Grass verges were all cut, however there was some grass and weeds along the kerbs.No flower displays present in residential area.Painting of front walls would add to presentation. The VEC building looks very delapidated. Some buildings would benefit from painting.
Brookville Ave	20	10	7	7	Total:44 marks Overall the general appearance of the street leaves a lot to be achieved.The back ways from main street fronting on to Brookville Avenue need a lot of attention. The derelict building opposite Casey's on the corner is an eye sore there are numerous derelict buildings. There are some nice stone fronted buildings. The entrance to River Garden looks well with nice plating. Footpaths in general in poor condition.Grass and weeds evident along footpaths and walls.Unsecured backways need attention.Alot to be done here.
Davitt Place	20	19	18	18	Total:75 marks Courthouse which is a focal point is badly in need of a face lift as is the closed down nightclub.Grass verges well maintained, some nice gardens,some floral arrangements outside residential properties would add some colour.The planted beds outside the carpark are a nice addition.The murals being painted on the carpark wall should add some interest when completed.The disused building across from the carpark is a an eye sore in the street.

Riverside	20	15	14	13	Total:62 marks Grass and weeds very evident.Seating area could be enhanced with some planting and seats painted.Some work could be done around the handball court.The area in front of the Fire Station needs to be tidied and walls painted.Planting along the river looks well.The wall leading into Sancta Maria Terrace is in need of paintwork as is other properties.
Kiltimagh Rd	20	17	16	12	Total:65 marks Wall outside Garda Station needs painting also the walls surrounding the car park.Weeds and grass evident along footpaths.Lack of flowers-no colour.
Chapel St	20	18	16	10	Total:64 marks Grass and weeds are evident along kerbs.Front walls of residential properties need some paintwork,in particular the high grey wall at Dr Glavey's surgery.The disused nun's residence is very overgrown.There is a lack of floral displays on premises, and only one floral display visible at the White House Pub.The seating area at the church is a lovely attraction.The derelict ESB building and the building opposite detracts from the overall appearance of the street.The building next to the courthouse looks very unsightly.(appear to be a store)

Park Rd	18	18	17	15	Total: 68 marks There was a lot of grass/weeds along the kerbs/edges. Painting of front walls required. Two unoccupied premises at the Kilkelly Road end detract greatly from the overall appearance of the road. Some lovely gardens are to be admired.
Kilkelly Rd	20	15	13	15	Total: 63 marks Grass verges are mostly uncut and very over grown. The area in front of and beside Henry's disused garage is very unkept. Also the area in front of the factory next door is very over grown. The area in front of Regal Engineering needs a good tidy up as does the council compound. There are some lovely gardens along the road. The entrance to Woodlands Estate looks well. The playground area is a lovely attraction.
Pound Lane	18	17	10	10	Total:55 marks Street surface in general is bad.Grass and weeds evident along the edges.Only one floral display.Rubbish bins left out in laneway.Carpark kept well.

St. Itas Tce	16	16	15	13	Total:60 marks Lovely display of flowers on left side,right hand side of the street completely lacking in floral display.Some litter was evident on the street.Carpark needs tidying.Buildings require painting also the alleyway.Grass and weeds at bottom end of street.Footpaths are in need of repair in places. Derelict buildings at the top of the street are a detraction from the overall appearance.
