

Street	Litter Control – 25	Tidiness – 25	General Appearance – 25	Flower/Plants Presentation – 25	General Comments
Station Rd	18	18	17	12	Total: 65 marks Some litter evident on road. Some new painting of houses evident which makes for an overall improvement. No evidence of additional flowers.
Circular Rd	20	19	18	15	Total: 72 marks Some grass and weeds still evident along footpaths. New road surface has made a great visual improvement. Some new painting evident.
Ballina Rd	20	17	18	18	Total: 73 marks Flower planting on railway bridge looks well. Some grass and weeds still evident along footpaths. Great improvements evident at Railway Terrace. Grass verges as you exit are now neat. Some new paintwork evident also.
Main Street	17	20	18	20	Total: 75 marks. The litter control situation has deteriorated since last judging with a lot of litter evident on judging day. Benches need painting at top end of Street. Lower Main Street still looks drab. Some new paintwork has been undertaken. Nice flowers planted around trees along the river. The benches here need painting also.
Market St	18	18	18	16	Total: 70 marks. Some new painting has been undertaken and extra floral displays added – the displays at Kelly Solicitors on the corner make a lovely visual impact.
Bridge St	20	18	16	10	Total: 64 marks. The number of floral displays have increased since last judging which do add to the overall appearance of the street. New painting looks well and is an overall improvement.
Dublin Rd	18	20	17	16	Total: 71 marks Grass verges were all nicely cut and maintained. New painting works has been undertaken.
Brookville Ave	20	12	7	7	Total: 46 marks Overall no great improvement evident here, except that the weeds would seem to have been tackled.
Davitt Place	20	19	20	18	Total: 77 marks The finished murals on the wall outside carpark look really well and add colour to the area. Grass verges are well maintained. The general area looked neat and tidy, with little evidence of litter.
Riverside	20	15	15	13	Total: 63 marks Overall not a lot of improvement evident here. Weeds have somewhat been tackled. Nothing done at seating area since last judging.
Kiltimagh Rd	20	17	16	12	Total: 65 marks No improvement overall since last judging except that the grass verges were neat.
Chapel St	20	18	18	15	Total: 71 marks The additional floral displays have made a great improvement to this street, particularly at the premises across from the seating area near the church, which looks very well. The newly painted premises have also added to the overall appearance of the street.
Park Rd	20	19	19	17	Total: 75 marks Grass verges are well maintained. Very little evidence of litter and the road in general looked neat and tidy.
Kilkelly Rd	20	17	17	17	Total: 71 marks A lot of improvement evident here. Grass verges have been cut. Nice flower planting around the signs. The area in front of the factory next to Henry's disused garage has been levelled out and has made a huge improvement. A great effort here.
Pound Lane	18	17	10	10	Total: 55 marks Unfortunately no visible evidence of improvement here.
St. Ita's Tce	18	17	15	13	Total: 63 marks The litter situation has improved since last judging, but overall no major improvements

					visible on the street.
