Main Street	19	20	19	20	Total: 78 marks. Litter situation has improved since last judging. Nice to see works have commenced on the disused building next to Presents – this will add greatly to the street. Nice painting at Quinns on Lower Main St., which has brightened up this end of the street. The Sheepwalk also appears to have got a fresh paint finish. Keep the momentum going!
Market St	17	18	19	16	Total: 70 marks. Some litter evident. The painting at Moore's on the corner has had a great visual effect. The derelict building next to JP Bookmakers has also been given a coat of paint. –but remove the signs, etc. from the facade – looks tacky!!
